

### ORCHID

368 square feet (average)  
Studio: Memory Support

The entire Third Floor of the new Trezevant Terrace is a secure, dedicated home for those with Alzheimer's or other dementia related needs. The latest research helped shape large features like the secure, rooftop wandering garden and small details like the color schemes and artwork. Everything on this floor is designed to create the best possible environment for the health and happiness of those with memory issues.

## TREZEVANT TERRACE

**Care for the very best...we do.**

The new Trezevant Terrace residences offer the very best and largest Assisted Living and Memory Support residences in the Mid South.

Extensive services include the highest quality care, security, housekeeping and maintenance as well as access to wonderful amenities in the Terrace and the larger community. All levels of living are available: residential, assisted living, memory support and skilled nursing care. Residents enjoy access to a wonderful campus lifestyle with opportunities for cultural, spiritual and educational enrichment.

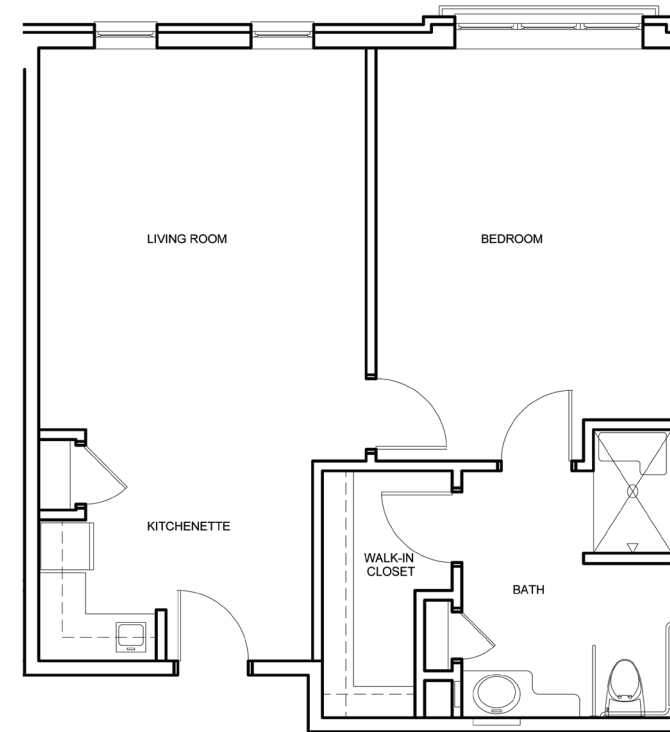

### IRIS

465 square feet (average)  
Studio

*This large studio offers the best value in the new Trezevant Terrace.*

*Nine foot ceilings, marble countertops and extensive crown moldings make this residence one of the largest and best appointed studios in Memphis.*

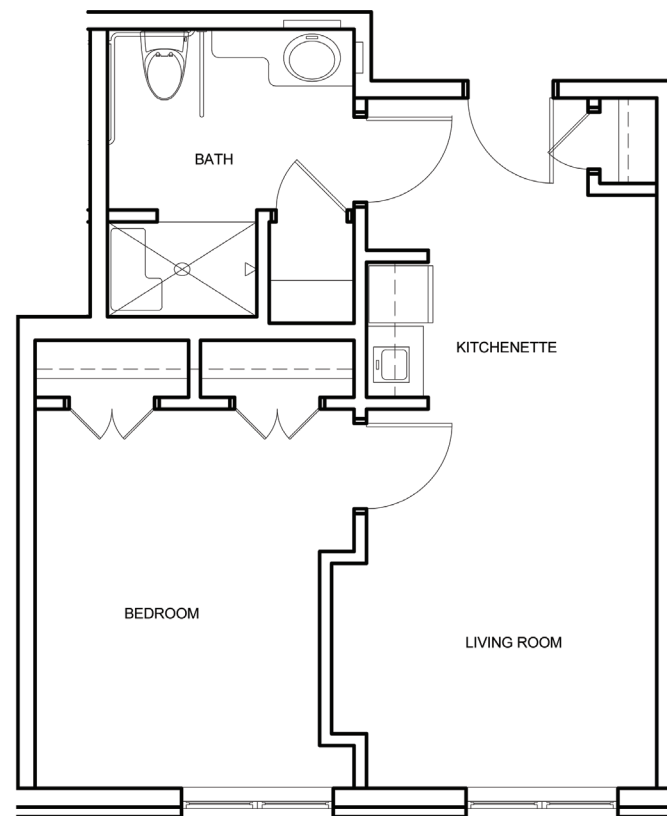

### LILY

729 square feet (average)  
One Bedroom Deluxe

*The largest one bedroom assisted living residence in the Mid South. This plan also has a large walk-in closet.*

*Great corner locations with expansive windows overlooking a beautiful community.*

### IVY

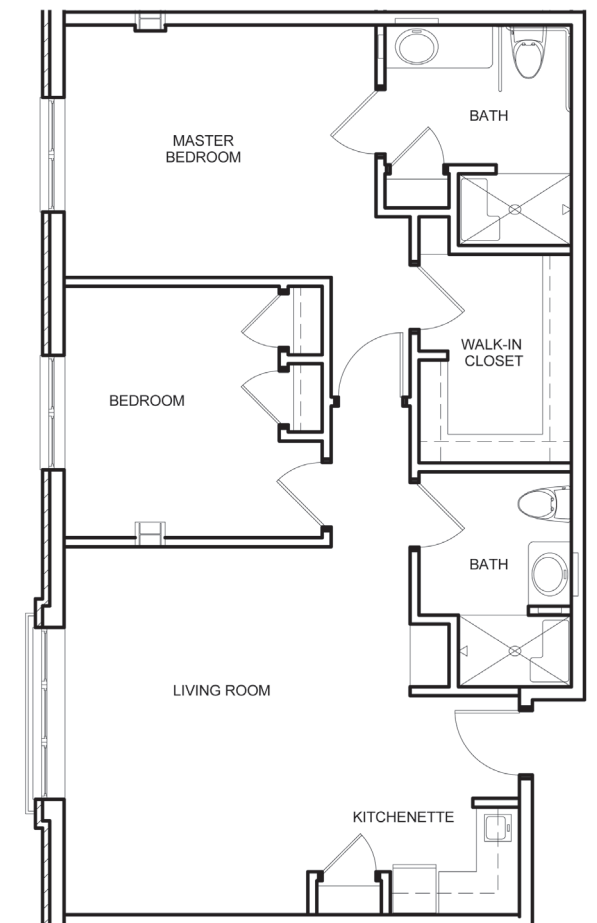

612 square feet (average)  
One Bedroom

*This plan offers the same great finishes and appointments with even more room. A large separate bedroom and four closets! Many of this plan offer great courtyard views.*

### VIOLET

998 square feet (average)  
Two Bedroom

*If you are looking for the best residence and the best services this is the plan for you. At almost 1000 square feet, the Violet plan offers couples a wonderful way to stay together in style...or offers singles room for an office or den. There is an extra large walk-in closet for the master bedroom.*
