January has come and gone and we look forward to an active and upbeat February 2020. Our vision still remains “perfect” as we embark on a venture promoting positivity on the Trezevant campus. Several resident volunteers, along with staff, are working on the initiative to challenge everyone to commit a Random Act of Kindness. Committing an act of kindness proves to have positive effects on physical and mental well-being. This campaign will kick off in mid-February and continue throughout the year with “pop up” projects. We anticipate great things, so be on the lookout for more information.

February promises to be filled with an abundance of activities beginning with a Super Bowl 54 Watch Party on February 2nd. The San Francisco 49ers will be playing the Kansas City Chiefs, which promises to be an interesting matchup. Trezevant Explores will host Steve Ehrhart, Executive Director of AutoZone Liberty Bowl. Photography exhibit by Lin Turner, who took all photos with an iPhone, will go on display February 8th followed by a reception at 3pm in the Terrace Walkway. We'll get together to watch the 92nd Academy Awards on Sunday, February 9th. Don't miss the watch party and participate in opportunities to choose your winning movies, actors and actresses. A Lunch & Learn Series for the first quarter of 2020 begins with a presentation by Avalon Hospice Company. Representatives will present the care levels offered with lunch provided by Mosa Asian Bistro. February 13 we will host a celebration of Valentine's Day with a performance and dance featuring Deborah Swiney & Jon Felix. Presidents Day, February 17, brings back Keith Wood with a presentation on U.S. presidents. Be sure to mark your calendars for the New Resident Welcome Reception on Wednesday, February 19 and greet all of your new neighbors. Don't forget the regular monthly events such as; Trezevant Tasting, Fine Dining, Out to Dinner at Owen Brennan, Southern Authors, Birthday Night, Mardi Gras celebration and so much more. Also a return to Tech Time with Bridges students will be offered 9am- 12noon Feb. 8 in SDR.

February also brings Fat Tuesday, Ash Wednesday and, in this Leap Year, an extra day! Remember to commit a Random Act of Kindness, you will be glad you did.

February is American Heart Month & includes Random Acts of Kindness Week.

Let's move more, eat better, smile more, and do more for others. All those things help us have happy hearts!

Let's all wear red Monday, February 3 to kick off Trezevant Heart Month! Do you want a healthier, happier heart? Then move quickly to participate in activities right here at Trezevant that will help you achieve both.

What should we do to reach these heart healthy goals?

Let's walk and move! In the winter? Yes, we will have winter walks, too.

- Find a friend and walk the halls, stairs or paths regularly in February.
- We will walk to the Highland Greenline 10:30am Fridays, February 7 and 14, weather permitting. Walks will take 45 minutes round trip.
- Track your minutes of walking, cycling, or NuStepping in February.
- The person who accrues the most cardio minutes in February wins a \$50 gift card! Turn your total minutes in to Rinnie by noon on Friday, February 28.

Let's eat!

- During our Healthy Heart Week, evening menus will have calories and designations of recommended healthy heart items. February 3-7.
- To kick off our week, we will be served a heart healthy lunch on at noon Monday, February 3 in the PAC. Chef Jason will talk about items in the delicious and nutritious lunch, and why he included them.

Let's relax!

- At 11:30 on Wednesday, February 5, yoga instructor Kirsti Carroll will present Opening Your Heart. She will lead us through movements and gentle massage designed to open the heart and chest, leading to improved breathing and stress reduction.
- From 9:15-10:15 Friday, February 7, Massage therapist Cindy McKee will offer 5 minute chair massage in the PAC. \$1 per minute charged to your account.

Let's be kind!

- Be on the lookout in your mailbox for a card with ideas on Random Acts of Kindness, and the benefits of these.
- Come to Happy Hour on Monday, February 17 for a toast to Random Acts of Kindness Day.
- Benefits to YOU! Oxytocin is a physical by-product of offering acts of kindness can improve overall heart health, aid in lowering blood pressure, less depression, and more energy. Kindness stimulates the chemical serotonin, which heals wounds, increases calm and makes us happy!

So, move more and act kindly during February. Your heart will thank you.
