AT YOUR SERVICE

by Kim O'Donnell

Planning and organizing, even in the later stages of our lives, is a vital part of living a quality life. Quality is the key with retirement living and the staff at Trezevant is here to assist residents. The area of campus receiving the greatest number of requests is Maintenance. Our Maintenance department services an average of 1100 orders a month across the Trezevant campus. These involve everything from appliance repair to zoning issues (A-Z). In addition to maintaining our physical plant, including housekeeping, the Maintenance department also oversees remodeling of units for incoming residents. This may be as many as ten remodeling jobs, simultaneously, involving a range of floor plans from a 648 sq. ft. birch apartment to a 3000 sq. ft. garden home. Needless to say this is no small task, thus it would be beneficial if residents knew the process of the Maintenance order; how it starts and where it goes.

Residents with email accounts may send their requests to maintenance@trezevantmanor.org indicate your building, apartment number, or address, phone contact and the issue you are reporting. The request is entered into a program, assigned to an employee, logged and indicated as active. Once the employee has completed the order it is then updated and closed. Residents without email may call 901-251-9225 to report their issues. Messages are checked during normal working hours.

Priority maintenance issues will take precedent over non-emergency issues such as light bulb changing. If you have an after-hours maintenance emergency please contact the reception desk. The receptionist will contact the necessary personnel to handle the situation. Security personnel have been trained to provide temporary assistance until the assigned on-call staff member arrives.

We strive to bring you the best service possible and are open to new ideas to improve the quality of life here at Trezevant.

IN ST. EDWARD CHAPEL

by Rev. Julie McKenna

We are so fortunate to have among us able retired resident clergy that would like to lead us in worship. I wanted to give them the occasion to do so, so on 5th Sundays and occasionally a Sunday when I have to be out, I have invited them to preach at St. Edward Chapel.

Sunday, August 1st at 10:30 am -- Rev. Milton Winter will preach and Barbara will be celebrant.

Sunday, August 29th at 10:30am—Rev. Ben Bledsoe will preach and I will be celebrant.

Wednesday, August 18th at 3:00 pm in St. Edward Chapel -- Hymn Sing

Come join us for an informal hymn sing of some old favorites!

Save the dates in Sept:

Wednesday, Sept. 1st at 3:00 pm in Hope's Garden: Service of Remembrance and Release.

We will have a short service with a butterfly release celebrating all the residents and staff lost during the beginnings of Covid till the present date.

Sunday, Sept. 5th at 10:30am – Bishop Phoebe will be here!

Bishop Phoebe Roaf, the Bishop for the Diocese of West Tennessee will be our guest preacher and celebrant at St. Edward Chapel! Please come join us and make Bishop Phoebe feel welcome!

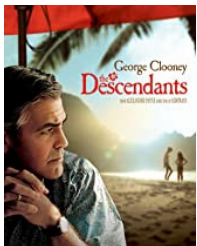

Stay tuned—there's lots more to come in the fall, after Labor Day including a full chaplains' class schedule with guest lecturers like Rachel Shankman from Facing History and Ourselves and Mitzi Minor from Memphis Theological Seminary!

BE WELL

by Rinnie Wood, Fitness Director & Community Liaison

Don't we all want to remain active for our lifetime? Falls and fall-related injuries are a major threat to independent living. Falls are the leading cause of injury-related hospitalizations for those 65 years old and older.

Trezevant will be adding a very special balance, heart, strength and flexibility training program called SAIL (Staying Active and Independent for Life). Look for a flyer in your mailbox the first week of August that will detail the SAIL format, information session, class schedules, and how everyone here can benefit from this program.

Many falls are due to aging, such as chronic health conditions, daily medications, changes in muscle strength, balance, vision, and walking ability. By learning to manage these conditions, falls among adults 65 and older can be prevented or reduced. From 2003-2005, a study was developed to demonstrate the effectiveness of a fall prevention program, which included:

- Identification of individual risk factors
- Group strength, balance, and aerobic exercise classes
- Group education classes on fall prevention, exercise, home safety, safe footwear, walkers, and canes.

The study noted above indicated the four most important things to do to prevent falls are:

- Begin an exercise program.
- Make your home safer.
- Have your healthcare provider review your medicines.
- Have your vision checked.

Repeat after me... Falls among those 65 and older can be reduced or prevented.

LET'S SHOUT IT TOGETHER... FALLS AMONG THOSE 65 AND OLDER CAN BE REDUCED OR PREVENTED.

Join Ginger, Leigh, and me, and get ready to SAIL into a fall-free zone here at Trezevant!

FROM DOTTIE'S DIGS

by Julie Hoyman

August is a great time to get rid of the clutter and get ready for the fall. I always enjoy changing things up. My Mom and Sister loved the art of rearranging. I think if the Olympics had rearranging as a sport, they could have won the gold medal. Dottie's is a great place to get rid of the old and pick out something new. Retail Therapy is good especially if your letting things go to make room for some new things. Everyone enjoys looking for treasures in Dottie's Dig. Thankis to everyone and their donations!
